Jury and Notification

The Jury of Selection is composed of at least 2 NSS Fellows and 1 curator.

The Jury of Awards is 1 NSS Fellow, 1 Sculptor (non NSS member) and 1

curator. The Jury of Awards will meet once the exhibition is installed to select the prize winners. Exhibitor Awards and a "People's Choice" Award will be presented at Brookgreen's closing celebration reception.

Contract

All accepted sculptors will be asked to sign a brief contract stating that they agree to loan their accepted work of sculpture for the duration of the exhibition at Brookgreen Gardens. Contracts will also establish prices for all works intended for sale. Sculptors under the age of 40 are eligible for the Beverly Hoyt Robertson Memorial Award and should indicate eligibility by checking the box on the contract.

Insurance for individual works in transit is optional and is the responsibility of the individual sculptor.

Sales

Prices will be established in the artist contract and will not be subject to change. All inquiries on works received during the exhibition will be referred to the NSS. A commission will be charged on all sales. (Note: works do not have to be available for sale.) A courtesy discount of 10% will be given to Patron Members, and taken off the top sale price.

Exhibition Catalogue

All works included in the exhibition will be reproduced in a color catalogue. All catalogue images will be derived from the submitted digital images. A fee of \$75 will be charged to each sculptor whose work is accepted in the exhibition for which they will receive 3 catalogues. The catalogue will also be available for sale at Brookgreen Gardens and distributed to select U.S. art libraries.

Reception

A closing reception will be given at Brookgreen Gardens. NSS will allocate additional funding toward publicizing the show to benefit all participants in the exhibition.

Shipping/Receiving/Removal/Return

All works must be shipped to a secure South Carolina warehouse; instructions will be included in acceptance letters.

All works must be delivered in a crate or box that is suitable for shipping. No exceptions!

At the end of the exhibition's run at Brookgreen Gardens, all works will be warehoused at a location in South Carolina. A notice will be mailed to all artists a month prior to the close of the show to alert them of this. Artists will have to make independent arrangements to pick up or ship their work from the South Carolina drop-off point.

Sculptors are responsible only for the cost of initial and return shipping of their work.
